FLETCHER & Co. will have on hand a good selection of Druggists' Sundries and Patent Medicines. The exact date of opening will be announced

FLETCHER & CO. Hongkong, 5th September, 1893

LAUDATORY NOTICE.

PASSENGER, named CHAN WAN, lately took passage from CALCUTTA by the Steamer "LIGHTNING" bound for this Port. After embarking on the Steamer in question he became so seriously ill that he departed this life during the voyage. Through the kindness of the Captain of the Steamer, the body, instead of being thrown into the sea, was put in a coffin and conveyed to this Port. The Captain also exerted himself to make all arrangements for the deceased and reported the matter to the Local Harbour Master. His brother desires with the despest gratitude to thank the captain for his kindness. -CHAN HUNG SHEK. Manager of Kwong Yeu Sing Shop

Calcutta.

PURE YOLATILE EUCALYPTUS OIL.

DISTILLED FROM THE LEAVES OF SELECTED SPECIES OF EUCALTPIUS. BUCALYPTUS OIL has long taken a fore-most place as a "bousehold remedy" in

nusoplar rheumatism. Taken internally in small doses, it nots as a powerful stimulant and antispasmodic, whilst its secondary action induces sleep.

The penetrative agreeable vapour of the Oil is sedative; and when inhaled relieves Asthma, General.—Yuen Fat Hong Bronchitis, Catarrh, and Sore Throat. It is also a most powerful antiseptic and germicide, being three times as effectual as Carbolic Acid in preventing development of Bacteria, its uses in this direction being very numerous. The active properties of the Oil depend upon a Terpene called Encalyptol, and we guarantee this Oil, prepared specially for us, to contain the largest obtainable percentage of Encalyptol and

twice that of the ordinary Eucalyptus Oil of Cents 50 and \$1.00. THE VICTORIA DISPENSARY. DAKIN, CRUICKSHANK & CO., LTD.

Hongkong, S.PTEMBER STH., 1893.

THE figures given in the Tonkin Customs of the present year are very encouraging. The trade from this end more than doubled amounted to 3,533,417 francs. As cominsignificant in value, but it may be noted that piece goods increased from 165,775 francs to 390,966 francs and Chinese tobacco | the genuine article, from 205,250 frames to 377,131 frames. The trade from Yunnan to Hongkong likewise

increased, but not to the same extent, three Colonial Office, for the purpose of considering of the six months showing an increase and the currency question in relation to the silverthree a decrease, leaving a net increase of Herschell's committee with the exception that Interest accrued, but not yet payable 328,962 france. A large decrease in June is Mr. Mesde and Mr. Fairfield have taken the Sandry debtors accounted for by the freshets in the river places of Sir A. Godley and General Strachey. They are taking evidence from merchants, having temporarily put a stop to shipments, bankers, and others interested in the trade of the The principal article of export from Yunnan silver-using colonies, and find a good many inis tin, which in the first six months of the with. As regards Hongkong and the Straits present year reached a value of 2,251,313 Sottlements, the problem is a different one france as against 1,929.727 france in the from that which presents itself in India, as corresponding period of 1892.

In reproducing the figures the Courrier Government is unable to restrict as it can the d'Haiphong says :- " It will be seen that rupee. The Japanese yen is legal tender in the "trade by the Red River route is of import. Hongkong the dollar is the only legal tender, "ant dimensions. How greatly would it and there is a desire in the latter colony to "not develop were it provided with a truly legalize the yen also. In Singapore a committee is sitting representing the different interests of "commercial route, that is to say, one per- the place with a view to consider what recom-'s spitting of every and cheap transport at all mendations should be made. It is thought pro-"seasons." From time to time the establishment of steam communication on the which use the Indian rupes, will, it is anticipat river has been discussed, and its practicability has been proved by the ascent a few years ago of two of, Messrs. MARTY Beyond these experimental voyages, however, floation to the effect that in future the letter nothing has been done. This is not because of the law will be strictly adhered to. Another opening up of Tonkin profitable employment part of 500 tons of a ship's register, which, when can be found for all the available steamers worked out to a practical sum, means that the E. near r home. In the meantime, therefore, the tride as to be conducted by junks and is attended with very serious risks. Mr. A. P. HAPPER, Jr., who was in charge of the Chinese Customs station at Mengtsz until recently, in his report for last year says :- become naturalised in any other part of the "heavy rains of the summer made the year many be a lawfully naturalised citizen of men orable by reason of the heavy losses incligible to call at Port Darwin, infliced on hipping and freightage. A carefully a virited attained prepared for me by "a Chinese merchant long esidentat Manhao" at the course the property of the course the property of

"is no system of insurance on the river. It is reported, says the Moreary, that the The trade of Mengtsz in 1890,

first complete year during which Customs station there was open, was Tis 1,104,007, in 1891 it rose to Tis. 1,580,007. and last year it was Tls. 1,885,420, while from the Tonkin returns it would appear that the present year will show a still larger expansion. With better means of communication the trade would develop rapidly. Many of the districts served by the transit Schottische ... pass system from Mengtsz, however, could be Velso...... served more conveniently by the West River, and if the squeeze stations along that splendid waterway were abolished trade would naturally follow it as the easiest route, while if at the same time steam traffic were allowed the increase in the commercial movement and in the legitimate revenue of the Chinese Government would be enormous.

The C. P. ateamer Empress of China arrived Vancouver on Tuesday last.

quite suffici at to only state the numbers of the glad to learn, has no intention of retiring from with us for one month, during which time he his appointment of Chief Justice. .The C. P. steamer Empress of India; Capt. Marshall, R.N.R., arrived at Amoy at 10 a.m.

> In the recent fighting in Timer the losses of people who would some to the colonies under his the Portuguese are said to have numbered about twenty, but the fatalities on the other side could industrious and fit for any kind of manual

last mail en route for Bangkok to set as correspondent of Le Temps for Siam and Indo-China. M. Bryois was in China not long ago. Bays the Northern Territory Times :- Captain | we presume, of the syndicate which is respon-

> 800,000 miles, without the slightest accident. Mr. W. Holland arrived from home by the M. M. steamer Oceanies on Wadnesday and proceeds on Sunday by the Douglas steamer Thales to take over charge of H. B. M. Consulate at Tainon in succession to Mr. Warren, transferred to Hankow.

We (Mercury) learn that the sheep up country whence Shangbai draws its supply of muttonnamely, Kashing, Hoo-choo, and Ab-nea, have lately been suffering from some epidemic, the nature of which is unknown so far, and for the Island, and thence by easy stages to the southern | hold this opinionow themselves but little past ten days not a single sheep has arrived for the local market. The ordinary consumption of Shaughai and the shipping is about 400 a week and there are usually some 2,000 head in stock in the stalls at Pah-sien-jso. At present there are barely 300, but none are coming down, and unless some change taken place within a few days mutton will be unobtainable.

A New York telegram of 5th August says :-The British steamship Glenogle, with a cargo of the new erop of tea, arrived yesterday from Yokohama and Amov. The Glenogle left Amoy Jane 22nd, and every effort was made to get to this port shead of its rivals. The cargo of 6,000 tons of new tea was worth just \$1,500,000 when she left Amoy. It is worth much more here, and the 12,00 ,000 pounds will make a decided impression on the market. Thirty-four Chinese, who are entered on the articles of the ship as able-bodied seamen, but who do not seem to belong to that category at all, cannot leave the steamer while she is in this port until they file a bond for \$200 each for their safe return. It costs more than \$200 to get a Chinese into the United States, and the bond would seem to be a

new and successful method of violating the law. What might have been a serious fire occurred yesterday afternoon in the planeforte factory of ordinary meeting, to be held on Friday, the 15th Messrs. W. Robinson and Co., in Duddell Street. September :--It appears a coolie inadvertently overturaed a tamp and the portion of the workshops in the immediate neighbourhood was rapidly in flames. The workmen, however, of whom there were twenty or more our the premises, hoisted water rapidly by the crane and were able to get the fire under in half an hour and on the arrival of the fire brigade all denger was over. Some large store oupboards and repairing material were damaged and one or two pianos scorohed, but the amount was slight. The contents of the factory were insured in the London, Liverpool and Globe, who no doubt will be grateful to the workmen whose prompt action saved a large and valuable stock of pianes and musical

A Sydney telegram states that the China Navigation Co.'s steamer Chingtu was towed into the herbour on the 8th August in a disabled condition. She had some narrow escapes whilst bereturns of the transit trade between Hong- and prevailing rough weather. Referring to the ing tow-dalong the coast, owing to the heavy sea. kong and Yunnan for the first six months same vessel the Northern Territory Times of the 18th ult. says :- It was reported on Monday last | Cash in hand that a second outbreak of aun ipox had occurred on the steamer Chingtu on Saturday last at Sydney. in value as compared with the correspond. It was not known whether the patient in this ing period of last year, being 4,479,818 instance was a passenger or one of the orew, but Hongkong and Kowloon Wharf and Gofrance as against 1,913,966 france. The liable authority that the surgeon in attenprincipal increase was in cotton yarn, the dance on the Chingiu on her now memorable trade in which in the first six months of trip was a young Melbourne medico who 1892 amounted to 1,497,500 francs, while which, it may be argued, accounts for many had never seen smallpox in his life before, during the first half of the present year it things. Unless a man has had experience of the disease he would not know it if he saw it. and it seems only the other day that our expert pared with cotton yarn all other articles are physicians in Adelside were very glad to obtain the assistance of Dr. Lowson, of Hongkong, to decide whether a certain affliction, then running its course at the metropolis, was chicken pox or

> The Times of the 31st July says:-The Currency Committee which is now sitting at the the standard of value in these two countries is the dollar of Mexico, the output of which the bable that they will prefer to adhere to the silver standard. Ceylon and Mauritius, both if ed, decide to maintain their adherence to the Indian ourrency system.

than that it should be depreciated none the less responsible for an inconvertible currency in India, which puts it in the power of the Executive within very wide limits to determine not merely the demand but the supply of the legal tender Mr. Balfour's spe at the Mansion House on of that country. (Cheers.) It is not my business the Queen. of Japanese colonies, to be under the control. August 3rd, on thereney question. Having to dwell upon the further and the additional reagon which makes me look with apprehension upon cord of nine years without a break. He has nabe. Practically speaking the notion prestant conducted to stability heards of uncoined silver in India. These heards amount, according to such estimates as I bave seen, to something between 130 and 200 millions. Before the recent Act of the Anglo- Indian Government every man who owned updoined silver I hesitate—in 1.1 think I must decline— in India was in possession of that which was to all intents and purposes legal tender, and if he owed 1,000 rapees and had in his possession an amount of silver equivalent in weight to 1,000 rupees he knew, whether the legal standard rose or fell, that he could at any moment pay his debts. The man who now owns that uncoined silver is no longer in that position; he does not own legal tender any more, but a depreciated ourrency, and what relation his assets will now bear to his debts is a matter of speculation for the moment-s matter dependent perhaps upon the action of a Government divided from him in interest, divided from him in race, living 5,000 miles away; and he may find himself, through

money from his debtor. It is true, as I ander-

The leading English papers ill-fated flagship Victoria on board, arrived at regard it as a great triumph in favour of the principle of arbitration. A wild Irishman at Dundee has run amok

with a revolver, shooting five persons, two fatally. He was overpower d and secured with great Terrible storms have occurred in the Baltio

Sea. A floot of fishing boats were caught in the The Right Hon. W. E. Gladstone has narrowly escaped being run over by the carriage of Bardett-Coutte, M.P. The catastrophe was only averted by the coolness and plack of a policeman who sprang in front of the horses and brought them to a halt.

LONDON, 19th August. Ernest Camond, a London cyclist, has just broken the two mile record, covering the distance in 4m. 24 2-52. LONDON, 24th August.

News has just come to hand of a serious revolt among the natives of the territory under the pretectorate of the British East Africa Company, a chartered association formed a few years ago when he was out the score stood at 46. Trott to develop the resources of certain islands and played a lucky innings. Gregory batted stylish- portions of the mainland in the neighbourhood of Zadsibar. The company has had goveral conflicts with the slave-dealing Arabs, and had concluded a treaty with certain chiefs in which it was stipulated weather and before a very large attendance. regions in 189; In the present rising the Company's forces were taken by surprise, Hamilton ! (the Company's superintendent) being killed, and The Keut players resumed their first innings. the station looted and destroyed. The other On MARILA. Marchant hit freely, but the remainder made a officials succeeded in escaping on board a vessel, but their position is deemed a very dan. On Singaronz. gerous one, and H.M.S. Blanche has been despatched to their relief.

> A pitched battle bas laken place between the rebal forces and the Government troops in the

> sanguinary souffict, suded in the total defeat of the Government forces. Official returns just published show that during last year thirty-two different kinds of minerals were mined in the Unit-d Kingdom, representing a total value of eighty-two million three hundred and fifty thousand pounds starling Q this amount coal alone represented the enormous aum of sixty-six millions starling, iron worth ten millions coming next on the list. Only twenty four thousand pounds, worth of copper

was raised.

The deplorable number of suicides in Paris amongst very young boys and girls is again H. H. L. Framways. Turner took 6 wickets for 27 runs.

1850 the case of a child of ten or twelve years Hongkong Rope.....

1850 the case of a child of ten or twelve years Hongkong Rope......

1850 the case of a child of ten or twelve years Hongkong Rope..... ufter 1870 they gradually, got more numerous. and since 183) there has been a still further in-The match between the Australians and the crease, and the minimum age at which the act 1839 the figures for Paris were five girls be-The Australians in their second innings tween the ages of 14 and 16, and two required 97 runs to win. Their betting utterly boys of 15; in 1890 there were six boys and two collegred before the grand bowling and fielding of girls between the ages of 12 and 15. In 1891 the Kent team. Five wickets were down for the figures were exactly the same, and last year Bruce played freely, and made 28 out of there were seven boys between the ages of 9 and 14, and one girl of 12. The causes that led to Walter Giffen played steadily, and caused the micide of the youngest of them is given as a Martin to relieve. Wright in the bowling, repreach to the parents, whilst most of the saloides between the ages of 14 and 16 were Bunnerman carried bis but throughout the caused by disappointment in love. It is a signiinnings for 7 runs. The innings lasted one hour flount fact, however, that this lamentable epiand three-quarters, and the play caused intense damie of self-destruction on the part of school childrenhangrown to its present proportions since religious education was abolished in the schools. As a stamp-collector the Duke of York must have been pleased with the present he received

on the occasion of his wedding from the Philatalic Society. No money was subscribed by his philatelia colleagues, but all were invited to give out of their private stores a few rare stamps to make up a collection for presentation. Time. it appears, did not allow of communication with members resident in far distant lands, yet The Daily News, in commenting upon the the promoters of the movement were fortunate collapse of the Australian batting in the Kent in finding that apwards of 100 members mat h, says it scarcely remembers Australian responded to the invitation. In making the arrangements care was taken to ensure, as far The match between the Australians and Liver- as possible, that the stamps included in the Wchai Warch'se Co. present should be such as would be acceptable | Watson & Co., A. S., forday. Grabam, Turner, and Trumble are additions to the Duke's collection. That collection has by this means gained an accession of 1.500 specimens, mostly naused and in fine con-

dition, which have been mounted in a handsome volume containing a suitable inscription. Thus it comes about that the Duke is now the proud | New Malwa ....... \$590 0 to 4 cattles. possessor of the first Indian half-sons and one- Old Malwa ...... \$600 played a brilliant innings, and Bannerman a suns stamps, of two fine copies of the Canadian 4 & 5 years old Malwa ... \$610 sixpency "imperfor to " on wove and laid papers, 6 to 8 years' old Malwa .. \$620 1 to 2 ingham gave an exhibition of good ericket. All of surcharged Ceylon stamps, and many other Patna (New)........... 8555 per chest eagerly sought after treasures.
